**Their Little Boy Dead.**  
Mr. and Mrs. R. J. Cannell have the sympathy of the entire city in the death of their little boy John, which died last Sunday afternoon, of summer complaint. The child was taken sick Thursday night and everything possible was done for him. The funeral was held Monday afternoon at the residence on east Sherman.

**Foot Taken Off.**  
Last Saturday afternoon a young Spaniard, by the name of Jose Piero, with two companions attempted to board a moving freight train in the Santa Fe yards, and fell from the car. He struck the ground on the outside of the track, but the wheel caught one foot and ground it to a pulp. The poor fellow was taken to Drs. Stewart's hospital and the injured member was taken off.

**Successful Operation.**  
Mr. Albright, of whom mention was made last week as having been taken to Drs. Stewart's hospital for an operation to get relief from a stoppage of the bowels stood the operation well and is on the road to recovery. Dr. Stewart was assisted by two local doctors who had sat in consultation with him one of them disagreeing with him as to the real trouble, which was found as Dr. Stewart had pronounced, strangulation of the bowels.

**For Burglary.**  
Two young fellows, by the name of Haines and Ellis were arrested at Abbeville Monday and placed in the county jail for breaking into the store of Jas McLean at that place Sunday evening. They were beating their way on the train and were put off at that place by the conductor and were arrested on suspicion. The report that the missing articles were found on their persons is not correct.

**"The Two Johns"** are the fellows to go to when you want anything in the line of barber work. You will find them on Sherman east, back of the Valley State bank.

**Postponed.**  
The republican judicial committee yesterday pulled off their convention which was called for next Tuesday and set the date for Sept. 25th. Some of the local redeemers claim this was done to await the decision of the supreme court, but to a man up a tree it looks very much as if the real cause was to prevent the fight which is bound to occur in the county convention here Saturday from being carried into the judicial convention.

There are longer but no better roads in this or any other country than the Chicago & Alton R. R. This line makes a permanent patron of every traveler who once gives it a trial. Its tracks are of the heaviest steel and as smooth as glass. Its road-bed is stone ballasted throughout. Its equipment is superb. It was the first line on which a Pullman sleeping car was ever run, the first line to adopt dining cars and the first line to run free reclining chair cars, and today its solid vestibuled trains, containing all of these modern luxuries, are running through on fast time to and from Union Depots in Kansas City, St. Louis and Chicago with astounding regularity and with exceeding comfort to its ever increasing patrons. If you ever make a trip in any direction between Kansas City and Chicago, or Kansas City and St. Louis or St. Louis and Chicago, and fail to patronize the Chicago & Alton, you may be sure that you have missed at least one opportunity for increasing your happiness in this life.

**Three Crops a Year.**  
Can be grown on the same land in eastern Mississippi and southern Alabama along the line of the Mobile & Ohio Railroad. The summers are cooler, the winters are milder, the death rate is lower than in the north. Improved farms \$10 to \$15 per acre, unimproved land \$3 to \$5 an acre near railway stations. It is the best portion for raising fruits and early vegetable, stock raising and general farm crops. Lands are advancing, now is the time to buy. Very low rate excursions monthly.

The Mobile & Ohio has put on two through fast trains each way daily between St. Louis and Mobile. It is the shortest and quickest route to the South.

An illustrated pamphlet telling all about our country will be sent free to all who wish it. Apply to F. W. Greene, General Agent, 108 North Broadway, St. Louis, Mo. or to E. E. Posny, General Passenger Agent, Mobile & Ohio Railroad, Mobile, Ala.

**New Harness Shop.**  
Mr. C. C. Cole has severed his connection with the old firm of Jones & Cole, and has opened up a new shop at No. 5 Sherman street east where he will be pleased to meet all his old customers and as many new ones as he can. If you need any repairing done this is the place to go. Don't forget the place. No. 5 Sherman east. 8-11.

**A REMARKABLE OFFER.**  
The Twice-a-Week "Republic" to give \$5,000 in presents to subscribers.

An announcement of an enterprise which is unparalleled in the history of the newspaper business has recently been made by the Twice-a-Week Republic of St. Louis. Although this paper has perhaps the largest circulation of any newspaper or other periodical in the western country, it intends to largely increase the number of its readers before next winter through this remarkable offer.

On July 1 The Republic advertised the fact that it would give \$50,000 in prizes to its subscribers during the three months of July, August and September. Each month a question would be asked in the columns of the paper, and it would be repeated in every issue of the "Twice-a-Week Republic" during that month.

Nearly \$10,000 in presents was given to Republic subscribers who correctly answered the question asked in July—"Where does the word 'Silver' first occur in the Bible?" One thousand gifts of extra value are offered to the first thousand subscribers who correctly answer the question for August—"Where does the word 'Gift' first occur in the Bible?" Each answer must be accompanied by \$1 to pay for a yearly subscription to the Twice-a-Week Republic. Gifts of smaller value will be given to those who send correct answers, but who are too late to be included in the first thousand names. In September another question will be asked and the remainder of the \$50,000 in presents will be given away.
